[The India Basin Waterfront Park project](#) is a partnership between Rec and Park, Trust for Public Land, San Francisco Parks Alliance, A. Philip Randolph Institute, and the Bayview-Hunters Point community.

The India Basin Waterfront Park project is guided by an [Equitable Development Plan \(EDP\)](#), a first for San Francisco. It ensures that the waterfront park will benefit current Bayview-Hunters Point (BVHP) residents while preserving the culture and identity of the historic neighborhood. It provides a blueprint for delivering a park designed by and for the community while improving economic opportunity and environmental health for its residents.
